

Application No. 10/088,282

REMARKS

Reconsideration of this application in view of the above amendment and following remarks is respectfully requested. Claims 1-33 are pending. Claim 1 is amended herein.

In Applicants' Response to Restriction Requirement filed October 18, 2004, Applicants elected the Group I claims, that is, claims 1-13 and 19-33, for prosecution on the merits. The Examiner also requested Applicants to elect a species for initial examination. To this end, Applicants had elected Compound 50.

By telephone conference on December 16, 2004, the Examiner requested that the formula of claim 14 be incorporated into claim 1. This Supplemental Response is accordingly filed to comply with the Examiner's request.

No additional fees are associated herewith. However, the Director is authorized to charge any additional fees due by way of this Supplemental Response, or credit any overpayment, to our Deposit Account No. 19-1090.

A good faith effort has been made to place this application in condition for allowance. However, should any further issue require attention prior to allowance, the Examiner is requested to contact the undersigned at (206) 622-4900 to resolve the same.

Respectfully submitted,

SEED Intellectual Property Law Group PLLC
